FRANCHISOR HISTORY

Established in 2004, PizzaBoyz has reinvented itself to become an icon amongst Pizza aficionados. Our square Pizzas offer incomparable taste and quality that has set us aside from the normal run-of-the-mill products that are on offer in the marketplace.

The primary reason that we are in this business, is because we love Pizza. Every one of our pizzas are individually hand-crafted and great care has been taken to develop our unique dough as well as the sourcing of all our ingredient to ensure that we always deliver a product that exceeds our beloved customer's expectations.

The net result is that as our customer base has grown over the years, so has the demand from locals and visitors alike who have seen the potential to open a PizzaBoyz outlet in their area.

However, we have allowed patience to prevail until we had developed all the necessary systems to ensure that the potential investor in the PizzaBoyz brand would realise a sustainable return-on-investment.

If you believe that you have what it takes to be part of the PizzaBoyz familia, then we want to talk to you. Feel free to contact our office.
